**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer in a rural area using a local ISP. I am very happy with our small, local provider. That have bent over backwards in response to problems with equipment and service.

By contrast, our old provider (CenturyLink) was a complete nightmare when it came to service. Please take action to keep local providers in action. They employ many local residents and actually have a role in our community.

Thank you,

Marjorie Watson
